

## **SUPER BREEDER BLIKSEM GABY VAN DEN ABEELE !!!!!**

**What is it that makes the « Bliksem 3158062/98 » of GABY VANDENABEELE so exceptional!**

### ***His results      His descendants      His origins***

The 'Bliksem', a grandson of the Wittenbuik, had a super season in 2000. He won several prizes within the provincial TOP 5 and on July 16<sup>th</sup> 2000, he won the victory from Poitiers (538 km) Provincial.

With his results, the 'Bliksem' could have become National Ace-pigeon on the Middle Distance, if Gaby didn't let him race Bourges National on July 30<sup>th</sup> and on Perigueux. From Perigueux, the 'Bliksem' won a 5<sup>th</sup> prize against 1.119 old birds. That weekend, it only was the race from Bourges, that was important to get an Ace-pigeon. There was no other choice. Too bad, because the morel winner, the 'Bliksem', still had the lowest coefficient.

| 5 | provincial Perigueux   | 1.119p. |
| 8 | provincial Poitiers    | 2.975p. |

The father of the Bliksem is the “Kolonel”, a son of the legendary Wittenbuik. This Wittenbuik scored at the top in Dentergem with following top results :

2 Poitiers 1435 p.

4 Poitiers 921 p.

1 Angoulême 2450 p.

1 Limoges 2309 p.

1 Poitiers 2713 p.

11 Poitiers 1438 p.

**The Wittenbuik was son of the Kleinen**, B 81-3238253, for many years breeder nr. 1 of the loft. He never saw the inside of a basket but it was with him that the rush to the top of the Belgian pigeon sport began. Gaby has breed the 'Kleinen' himself with which, as so many times in our sport, had the luck and the circumstances on his side. The father of the 'Kleinen', the 'Zitterke', B 80-4055428, was a bird in loan from Jozef Delodder from Zulte after he won a first prize from Orléans with hot weather and wind at the head. The 'Zitterke' was only available for a short period and at that moment, Gaby didn't have a good hen to pair with the Zitterke because the best hens already were paired. Gaby got some help of his good friend Gilbert Van Parys, who

raced very well with the youngsters in those days. Without asking questions, Gilbert offered his 'Ameyke', B 77-3064419 to pair with the 'Zitterke'. 'Ameyke' was one of the best hens of Gilbert. She raced very well as a youngster and she also proved her capacities on the breeding loft.

This is certainly no the end, many we didn't mention but it's an endless list of fanciers who succeeded with the BLIKSEM blood.

With the TOTAL auction of Mark VANDAELE, we all have a unique opportunity. Not often we find a loft with that many VAN DEN ABEELE blood.

Wherever the direct VAN DEN ABEELE pigeons are played, they proved they're able to win and that good blood never lies !!!
